

# RESEARCH PARTICIPANTS NEEDED

# UW Go Baby Go

# W Ride-On Car Study

STUDY: Impacts of Adapted Ride-On Cars for Children with Disabilities and their Families

## WE ARE LOOKING FOR....

- Children ages **1-4 years old** with **developmental delay (not due to another known genetic condition)** or **cerebral palsy (CP)** and their families.
- Families who are interested in participating in a year-long, **community-based mobility study** using **adapted toy ride-on cars**.

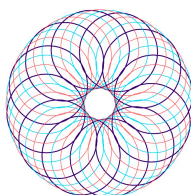

## RESEARCH ACTIVITIES INCLUDE...

- **Interviews** (60-90 minutes, quarterly)
- A **photography narrative project** (120 minutes at family discretion)
- **Car use monitoring** using a custom-built data logger (ongoing)
- **Social communication monitoring** (2 days per month)

Each family will receive a **customized adapted ride-on car at no cost**, and be compensated \$50 for participating in the study. All study procedures will take place at a time and location of your choice. Please contact the study coordinator, Monica Smersh, at [msmersh@uw.edu](mailto:msmersh@uw.edu) or by calling 206-543-6995 for more information or to express interest in participating.

\*This study is approved by the UW IRB (STUDY00004383)\*
